GENERAL LABORER:

ASI is looking for a general laborer in the WNC area. This position is perfect for an eager crew member that is open to learning new skills and progressing with the company. You will be required to be alert to any potential safety hazards, and assist with hand-digging, site cleanup, or erosion control measures as needed. Come grow your skills with ASI!

Responsibilities:

- Self-motivated, reliable, punctual, alert
- Commitment to work safety
- Responsible for assigned work
- Report any problems immediately
- Willingness to learn new skills

Duties:

- Inspect sites for hazards
- Ensure/assist with all safety equipment, tools, and materials needed at the job
- Operate hand tools and shovels to prepare the installation of utilities or civil site work
- Readiness to help all crew members

Requirements:

- Valid Driver's License
- Pre-drug/alcohol testing
- Flexible with work hours, traveling, and weather elements
- Neat appearance
- Strong work ethic
- Clear communication skills
- Compliance with company safety requirements
- Reliable transportation
- Desire to contribute as a team member
